DESCRIPTION OF SURVEY SAMPLE

In October 2007, 916 surveys were mailed to December 2006, and May 2007 graduates of the Farmer School of Business. We received 199 responses, or 22 percent. Of the respondents, 30 percent were marketing majors, 26 percent were finance majors, 21 percent were accountancy majors, and 6 percent were organizational leadership majors. The remainder, 17 percent, represented the other majors.
