

## Need to meet with your advisor? Here is what to do.....

- Determine the appropriate advisor by major/minor/thematic, class status and first letter of your last name.
- Meet with advisor during posted office hours. These hours can be retrieved from the academic department (the phone number can be found to the right of the department on the advising list).
- If the office hours conflict with your schedule, e-mail or call the advisor directly to arrange a meeting.
- Be sure to take a copy of your DAR with you to your meeting.
